FAST & EASY HITCHING

The Adjustable Demco EZ Latch Coupler is built to last and provides a fast and easy connection. The automatic latching system securely locks when lowered, saving you time and effort.

EFFORTLESS Maintenance

Our forward self-adjusting brakes make brake maintenance a breeze. The system automatically adjusts the brake shoes as they wear down, eliminating the need for manual adjustments.

SECURE YOUR Cargo

Our Front Stop Rail keeps your equipment safely on the deck and prevents it from rolling off during transit. It also protects your tow vehicle from potential damage caused by shifting cargo.

24' Lengths"

CUSTOMIZABLE RAMP Solutions

Select from our optional Super Wide or Slide-In Ramps for a tailored ramp package. Experience a flexible, convenient system that meets your equipment needs.
